2021-22 PRESCHOOL TUITION

There are three enrollment options available at Temple Beth Israel Preschool & Daycare. One option is our preschool program, 9:00 a.m. - 1:00 p.m. The second option is modified daycare, from 9:00 a.m. – 4:00 p.m. With these options, there is a \$10 hourly charge for extra early morning and/or afternoon hours (space permitting). The third option is full-time daycare, 7:00 a.m.- 6:00 p.m. All options include the morning preschool program.

Children are placed in the morning preschool groups according to their age (as of September 1) and stage of development. There is a slightly higher tuition for the 2-year old group, since the ratio is 2:10 in that class. Children enrolled in full-time daycare continue the day in a mixed-age afternoon session. Full-time enrollment also includes one week of daycare during Winter Break and one week of daycare during Spring Break.

The annual cost is divided into ten equal monthly payments, payable at the beginning of the calendar month. There is no refund for absences due to illness, vacation or holidays. The first and last months' tuition are due at the beginning of the school year. The tuition fees for the programs, September through June, are:

2021-22 PRESCHOOL TUITION

The following tuition plan will be in effect should there be a need to continue to follow COVID modifications, per recommendations from the LACPH, CA Dept. of Social Services, CDC and the Temple Beth Israel COVID Task Force. There would be two enrollment options available at Temple Beth Israel Preschool & Daycare. One option is our preschool program, 9:00 a.m. - 1:00 p.m. The second option is modified daycare, from 9:00 a.m. – 4:00 p.m.

Under COVID modifications, the program will include:

All adults and children will wear masks while at school

A morning health check for staff and children to ensure that adults and children are ready for school

Pick up and drop off will be at the gate as parents will not be allowed on campus

Families are expected to notify us of any positive exposure and/or symptoms of COVID

Children will be in mixed-age groups, to avoid the risk of exposure to COVID

Children will be in stable cohorts Monday-Friday, which might be mixed-age groupings.

Snacks and supplies are brought from home and kept separate from others's personal items

Should the status of COVID change, then TBI Preschool might adjust both school hours and class groupings. Both tuition plans, with COVID modifications, and without, are being given to parents.

The annual cost is divided into ten equal monthly payments, payable at the beginning of the calendar month. There is no refund for absences due to illness, vacation or holidays. The first and last months' tuition are due at the beginning of the school year. The tuition fees for the programs, September through June, are:
